

## HEDGE TRIMMER

V-600HT

V-500HT

| Model                     | V-600HT                               | V-500HT                               |
|---------------------------|---------------------------------------|---------------------------------------|
| Engine                    | 1E32FL-S                              | SLP500.1                              |
| Displacement (ml)         | 25.4                                  | 22.5                                  |
| Cutting Width (mm)        | 600                                   | 500                                   |
| Reduction Gear Ratio      | 4.2:1                                 | 4.1:1                                 |
| Blade Type                | Double, Back and Forth                | Single, Back and Forth                |
| Engine Type               | Single Cylinder, Air-Cooled, 2 Stroke | Single Cylinder, Air-Cooled, 2 Stroke |
| Maximum Output (kW/r/min) | 0.75/7500                             | 0.7/7500                              |
| Clutch Speed (r/min)      | 4000±400                              | 4200±350                              |
| Weight (kg)               | 6.3                                   | 4.65                                  |
